

Birthday Parties at Happy Horse of Course

Length: 1 ½ hours

Availability: Saturdays beginning at 1pm

Activities:

Participants split time between getting horses ready for a lesson, riding (either on a lunge line or alone, depending upon the level of the participants), and learning about horse care.

Larger groups will be split into smaller groups, with each group doing a separate activity simultaneously.

Riding lessons are taught by Julia Mattson with additional help from advanced riding students. The horse care and grooming will usually be taught by the advanced students. Number of students will be based upon size and experience of the participants to ensure a safe environment for everyone.

Facilities:

There is a small observation room where parents can observe the riding lessons. This room is also available for cake and presents but must be cleaned (all trash taken with you) after you are finished. The use of this room ends 30 min. after the end of the party time and all participants must be off the premises immediately following.

Costs:

(base rate)	up to 8 participants	\$350
	9-12 participants	\$400
	13 participants +	\$450

A non-refundable \$100 deposit is required to hold the date.

Additional fees:

If there are too many young children or non-riders, we may need to hire additional help. There is an additional fee of \$25 per helper, if needed. We will let you know if your group will require additional help.
